

# RASCH AMALGAM SEPARATORS

# FIELD PROVEN - FIELD TOUGH

Rasch has been marketing amalgam separation systems worldwide since 1987. The design was initially developed for the European market, and has been refined over time to provide trouble-free world-wide operation. Other models, each using the same Rasch amalgam separator canister, are offered to facilitate specific types of installations.

AB Dental Trends Amalgam Separation, providing the broadest coverage and support for North America.

## NEW IN-LINE MODEL GETS YOU THERE QUICKLY
